

Study Skills 6-2 Team 2016-17

Agenda Use and Homework Check

Agendas should be filled out for each core class on a daily basis.

***CHECK HOMEWORK SITES DAILY**

Good Note taking

- Notes should be organized with titles.
- Notes should be in the correct subject notebook.
- Notes should be legible.
- Limited doodling

Rework Math Problems

- Each night students should rework math problems from class.
- Students should ask Mrs. Ledford for help if needed during GREEN time

Fully Participate in class discussions

- Listen to the ideas of others.
- Add to the conversation.
- Ask Questions.
- Take Notes
- Make Connections.

Watch Math Videos

- Watch review math videos by unit on our website.
- Watch at start of each unit, before quizzes, and when confused on homework or corrections.

Make Flashcards/Keep Vocabulary Book

- Make Flashcards for math formulas
- Keep vocabulary booklets up to date
- After each day of notes, create flashcards covering key concepts.
- Review cards each day on the way to school, during IMP time, and before bed.

Read the Text

- For science and social studies students should read all materials at the start of each unit and to review for test. In some cases there may be guided notes.

Use online resources found on Website.

- Links for Discovery Ed, Brain Pop, Actively Learn and other resources can all be found on our website.
- These sites should be used as assigned, as a resource for remediation and/or enrichment on a weekly basis.

Students need to complete all assignments on time and to the best of their ability.
